Manila Nabs JFK Plot Suspect

News 4/21/67

MANILA, April 21 (UPI)—The Philippine National Bureau of Investigation said today it had arrested an American who claimed under truth serum that he took part in an alleged assassination plot against President Kennedy. It identified the man as Luis Angel Castillo, 24, a native of Puerto Rico. It said Castillo was a Cuban-trained communist agent sent to the Philippines to contact communist Huk guerillas.
